

TECHNICAL CHARACTERISTICS

GLUED LAMINATED TIMBER

Planed Glulam Beams

Max dimensions	Width, mm	Length, mm	Height, mm
	1600	14000	300
Lamellas, mm	40, 47		
Wood species	Pine, spruce		

CNC Machined Glulam Beams

Max dimensions	Width, mm	Length, mm	Height, mm
	1250	14000	600
Processing possibilities	<ul style="list-style-type: none">• Sawing• Routing (30 and 61 mm)• Wide range of drillings		
Extras	<ul style="list-style-type: none">• Visual surface repairs;• Manual deep hole drilling up to 1800 mm;• Wide range of other manual processing.
